It is the story  
Thelma  
is coerced by

son Derek and daughter-in-law to move into a run-down nursing home, owned by Derek's employer, after the death of her bullying husband. Derek also gets her to sign over her house to him. However, she doesn't like it at the nursing home and shows her frustration. After having been medicated by the staff to stay calm, she finally incites her fellow inmates to revolt.

about a woman,  
Caldicot, who
